Property Description

This recently built luxury estate offers sweeping views of the coast which draw so many visitors to our area but, also breathtaking views of the sunrise as it crests the nearby hills. Set atop rolling jungle hills the elevation lends itself not only to the previously mentioned views but also to take advantage of the cooling ocean breezes. This magazine worthy property, with 4 bedrooms, 3.5 bathroom and a rarely found 4 car garage, was designed and built to take advantage of the indoor/ outdoor living available here in the Nosara area. With large floor to ceiling push back windows, the wide open floor plan pours out to the pool deck to create the perfect daytime pool lounge or elegant evening entertainment areas. Located in the Ostional area, this estate just a short drive to Nosara and Guiones to the south as well as San Juanillo and Marbella to the north. Access to shopping and restaurants is right around the corner with the jungle and ocean, and all the adventure you might want, right out your door.
