Property Description

A gem, a hidden treasure, an escape to nature. A place where you can stay for a little or stay for a lifetime. All you have to do is imagine... then wake up and relax, because this dream villa has it all. Built to fulfill all the needs and desires of a high-end vacation home, in a very private setting, away from the public eye and from the noisy roads. Location is the added value. Only five minutes away from downtown Uvita and all of its gourmet restaurants, banks, stores and supermarkets and some of the most magical beaches of Costa Rica. Villa de Ensueño is a refugee from an otherwise high-speed life. Your day can start with a super fresh organic orange juice, a Costa Rica style breakfast with "gallo pinto", and then a walk with the dogs around the organic gardens to collect some veggies for lunch. Then another walk all the way down until you reach the whale tail at low tide.
