Property Description

Casa Diana is a two-story building that includes two fully independent apartments. The lower level boasts 2 large bedrooms and 1 bathroom, a big living and dining room area, and its own kitchen and patio in the back. The second level has 2 bedrooms, 1 bathroom, a laundry room, a kitchen and a nice balcony to sit, relax and enjoy the vibrant jungle backdrop. Casa Diana is an ideal property for long-term rentals, providing potential investors an easy, monthly income in one of Costa Rica's main tourist destinations. Alternatively, there's also the possibility of living in one of the two apartments and renting the second one. Located at the heart of downtown Quepos, Casa Diana is strategically located within walking distance to bus stops, super markets and great restaurants, as well as being merely minutes away from the gorgeous amenities of Marina Pez Vela. If you're looking to invest in Quepos, Casa Diana is a great place to get started and profit from all that this wonderful town has to offer.
