The 71 m2 (764 ft2) Turquoise 3 condo is divided into public and private areas with an open plan that melds the air conditioned kitchen, dining, and living/gaming areas into a single, flowing space. Bedrooms and bathroom are private on the opposite side away from the pool. The bright master bedroom features a king bed. The guest bedroom has a queen bed and sliding glass doors that open out to green space. Both bedrooms have their own mini-split A/C units and plenty of built-in storage to accommodate all of your belongings.
