Property Description

Our best deal in this neighborhood is this completely remodeled historic Banana Company House. It is a two story, 3 bedrooms, 2 bathrooms that sits on a large flat $\frac{1}{4}$ acre lot (1078m²) with plenty of space for additional structures and a swimming pool. There are two bedrooms upstairs and an extra apartment downstairs that could be used for extra income or family visiting. The location is perfect with only three doors down from the 5 star Casa Roland Resort and walking distance to the Bay and the New Marina. You are in great company on this street, with other neighbors asking prices starting at \$550 000 up to \$1,000,000! The house has been completely remodeled, both inside and out. The original hardwood floors, decks, beams and cabinetry have been carefully refurbished. The electrical and plumbing systems have been upgraded as well as new windows all around. If you've never had the pleasure of living in an older wooden home, they are wonderful, imagine your own wooden bungalow near the Bay!.
