Property Description

People who decide to make Costa Ballena their home but wish to avoid the hustle and bustle of the local surfer paradise (Dominical) or the center of commerce, service and tourism (Uvita) are undoubtedly drawn to the picturesque town of Ojochal. While still pristine and laid-back, thanks to its location and breathtaking natural surroundings Ojochal is growing and attracting the crowds, businesses and buzzing atmosphere of nearby centers, its main drag at times starting to resemble some areas of Uvita and Dominical. What if I told you that you can still benefit from the local amenities while hiding away in a village that remains true to the peace, serenity, and privacy that is the main attractions of our area – but sits only a few minutes' drive (5km) from Ojochal and 20 minutes' drive to Uvita? This is TRES RIOS, cradled by the rivers, hills and jungles that Costa Rica is world-famous for.
