Property Description

For years this amazing jungle haven has been run as a small retreat center and bed & breakfast catering to small laid back groups who enjoy nature, private accommodations and the art of Yoga. The current infrastructure on site includes, one three bedroom structure, one four bedroom structure with office area and a small caretaker casita. The grounds include a yoga pavilion, a ceremony area, bathrooms and a direct walking path to the north Playa Pelada beach. With almost 2 acres of jungle property surrounded to the west by the Nosara Civic Association green space, this is the perfect place to design and upgraded Retreat Center blended in to the jungle landscape or completely revitalize the property with a couple well planned single family homes that would have plenty of space and privacy.
