Property Description

This large, open parcel of land offers incredible views of rolling hills extending out into the distance. Located directly off the main road from Cobano to Santa Teresa in the town of San Isidro. This lot offers the convenience of being just a short driving distance to all surrounding towns, beaches, and shopping centers while providing the utmost privacy. A 5,000m² property with ample area for building, requiring very little to no modification at the time of development. A builder's dream! This piece of property sits up high and overlooks the valley below. It includes a front space that has several established and mature fruit trees. The property then expands out amongst the top of a leveled hill that has been cleared out and well-maintained by the owner for years. All neighboring properties are a great distance away from the property itself and within the same family, offering a sense of community and privacy.
