Property Description

Beautiful property with magnificent mountain views and a great potential for urban development. It is ideal to build a family complex or the house of your dreams. Located at an altitude of 613 meters (2000 ft) It is suitable for crops. This estate has a creek that flows throughout the whole year. It has a small forest in the front and in the back as well. The constant breezes make this property have an unparalleled freshness. It is located only 300 meters away from a main paved road. Offering easy access and at the same time a lot of privacy and tranquility. It is currently producing sugar cane, however; the owner plans to plow and clear the land so that his future buyer can take the most advantage of it. It has all the facilities. It has availability to install water and electricity, high-speed internet access, and proximity to medical services (clinics and pharmacies). It is located near shopping centers, lawyers, gyms, and hardware stores.
