Property Description

Casa Sylmar is a spectacular titled beach front estate located in the heart of Playa Grande on the Pacific Gold Coast between Playa Tamarindo and Playa Flamingo. 10 bedrooms, 14 bathrooms and 6 kitchens! This is an exceptional property that could easily become a boutique hotel, B & B or corporate retreat. The present owner uses the property for his family and friends but it was designed to be an income producing investment. There are only 11 homes on this expansive beach and due to building restrictions in the area it is doubtful that more permits will be issued looking forward. You just can't ignore supply and demand considerations. A pristine beach and in all likelihood no more construction. It just doesn't get any better than this! Casa Sylmar was 4 years in the making. The quality of construction is the best we have seen. A description of the quality materials and amazing details are available upon request.
