Property Description

We are excited to offer an unmissable opportunity to snap up an iconic surfside hotel right in the heart of Playa Dominical area. This charming hotel also includes a popular beachfront bar and restaurant, one of the only in the area. Surfers stop by throughout the day to excitedly discuss waves over lunch and drinks. In the evening, a packed calendar of events draws a crowd every night of the week. The seaside town of Dominical is a popular surfing hotspot, drawing visitors and thrill-seekers from around the world. The guests of Tortilla flats love to roll out of bed right into the sea; finding the fresh sea breeze is better than coffee. A few years ago, this town was one of the best-kept secrets among globe-trotting surfers, a little hidden gem for adventurous youth. But now the secret is well and truly out, and this sleepy beach town buzzes with life all year around. On days when the surf is dead, tourists explore the surrounding jungle on nature walks or horses, or they pack whale and dolphin watching boats, hoping to see these magnificent creatures up close.
