Property Description

This beautiful tropical 3 bedroom 3 bath home is only a short walk from one of the most beautiful, popular and unspoiled beaches on the Pacific Coast in Costa Rica, Esterillos Oeste, a south facing beach with stunning sunrises to the left and breathtaking sunsets to the right. At high tide there are plenty of waves for all skill levels to surf, paddle board, body board and have fun in. But at low tide, an underwater volcanic reef surfaces revealing tranquil tidal pools for families with kids to play and relax in. And even better there is a beautiful mermaid statue sitting atop the reef that you can walk out to and explore at high tide. Located just a few minutes south of Jaco Beach, this quiet beach town features seven restaurants and bars, all within walking distance, plus five hotels, four churches and two grocery and convenience stores so everything you need is nearby. This spacious home features a large kitchen with granite countertops, two master bedrooms each with en suite bath upstairs, another guest bedroom and bath downstairs, a laundry room, carport, storage bodega, two upper balconies, including a huge entertainment deck upstairs where you can sit and enjoy tropical birds flying by and the beautiful mountain and ocean breezes as the community sits just a short distance from the shoreline with rainforested mountains surrounding it in the near distance.
